Computer Science Education Work Group

May 31, 2017
Department of Education B100
1:00 to 4:00 pm

Purpose: To make recommendations on the following to the Iowa State Board of Education as outlined in HF 507.

- How computer science courses could satisfy graduation requirements for math or science
- How these courses could be integrated into a career and technical education pathway
- The settings in which these courses could be delivered (including in traditional high school settings, concurrent enrollment classes, and online)
- Guidelines for an appropriate scope and sequence of computer science instruction at each grade level, and
- How the computer science professional development fund established in the legislation could be used to meet the goals.
